

PA 46 Seminar in Italy

This Seminar is sponsored by the MMS&TF (Malibu/Mirage Safety & Training Foundation).

This Seminar will cover all models of the PA 46: Malibu (TCM engine), Mirage (Lycoming engine), JetProp (PT6-21, -34 and -35 engines), and Meridian (PT6-42A engine). Many US pilots are flying to Italy (either by airline or with their own airplanes) to attend this Seminar.

- **When:** Starts Thursday July 26, 2007 at 1:00PM; Ends Saturday July 28 at 5:00PM.
- **Scheduled speakers:** **Kevin Mead** (Maintenance Issues of PA 46, Thursday July 26, 2007); **John Mariani** (Safety Issues & Systems Review of PA 46, Friday & Saturday July 27-28, 2007).
- **Where:** Italian Air Force Museum at Vigna di Valle (on the shore of Lake Bracciano, approximately 15 air-miles north-west of downtown Rome, Italy).
- **Nearest airport:** Aeroporto dell'Urbe (LIRU), near Rome. Approximately 12 air-miles south-east of Air Force Museum.
- **Cost:** US\$ 349 per pilot (advance payment to MMS&TF is required). Payment is non-refundable.
- **Requirement:** MMOPA membership is required to attend all MMS&TF Seminars. To become a MMOPA member, contact: Russ Caauwe (MMOPA Executive Director): tel. (520) 399-1121; e-mail russ46@cox.net. MMOPA website www.mmopa.com. **MMIG46 membership is accepted in lieu of MMOPA membership to attend the Seminar.**
- **To register for the Seminar:** contact Mona Rathmel (member of MMOPA Board of Directors and MMS&TF Coordinator): tel. (972) 532-2439; e-mail mrathmel@airsure.com.
